

# Effective Community Based Natural Resource Management

Over the last 3 years, SCW...

- ✓ reached over **102,000 direct right holders** and duty bearers with project activities
- ✓ trained over **30,500 people** on NRM, NTFP, Eco-Tourism and RBA\*

Over the last 15 years, SCW...

- ✓ helped to protect over **38,400 hectare of forest** (52,000 soccer fields)
- ✓ contributed to the conservation of more than **510,700 hectare of forest and wildlife habitat** (690,000 soccer fields)
- ✓ established **13 Community Protected Areas** and continues to support them.  
7 CPAs in North-East Cambodia and 6 along the Coastal Zone.

\*NRM = Natural Resource Management, NTFP = Non-Timber Forest Products, RBA = Rights Based Approaches

1. Rights Based Education

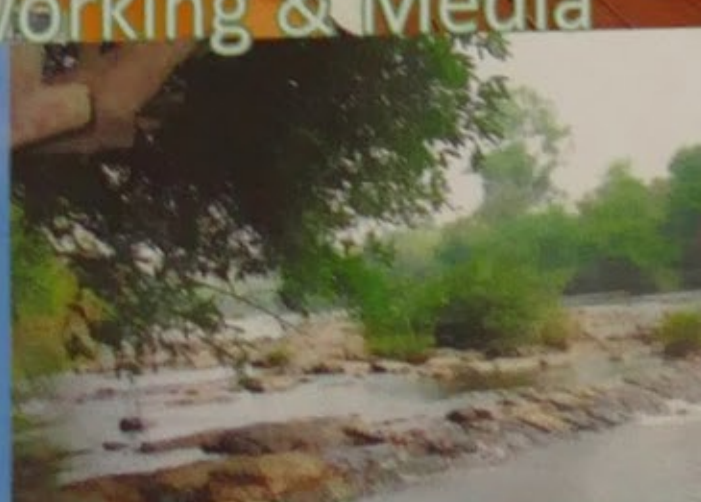

2. Protection & Conservation

3. Livelihood & Climate Change

4. Networking & Media

5. Social entrepreneurship

ELC - Negative impacts to livelihood  
IP communities  
conflict mediation Forum

social entrepreneurship  
- looking for opportunities  
- linkages to market.  
↳ local products

Law enforcement - To be intensified.

- Medrox Network / private sector
- public Dialogue / sector
